### EDUCATION

Institute of Engineering & Technology  
Master of Computer Applications

Lucknow, India  
Expected June 2024

- CGPA: 8.19/10.00
- Relevant Coursework: Software Engineering, Data Structures and Algorithms, Operating Systems, Database Management Systems, Artificial Intelligence

### INTERNSHIP

IBM CSRBOX

June 23-Aug 23

- Led a team of 4 as a Single Point of Contact (SPOC) for Conceptualized and delivered a comprehensive website presentation, outlining the project's objectives, design concepts, and functionalities.
- Developed the site map, effectively organizing and structuring the website's content and navigation.
- Collaborated closely with cross-functional teams to ensure seamless communication and project progress.

### PROJECTS

Movie Library Application [Live](#)

June 2024

- Architected and implemented a movie library web-application using Spring Boot, enabling users to create and manage personal movie lists. Movies are fetched using OMDB API.
- JWT and Spring Security for robust authentication and authorization.
- Efficient database operations with Spring Data JPA and MySQL.
- Deployed using docker container on cloud

Technology Used: Java, Spring Boot, JWT, REST APIs, MySQL, Maven, JavaScript, HTML, CSS

Real-Time COVID-19 Data Tracker [Repo](#)

May 2024

- Developed a web application that provides critical real-time tracking of COVID-19 data across various cities.
- Interesting thing is the data fetched at 1:20 am daily from govt. servers to ensure

Technology Used: Java, Spring Boot, REST API, JavaScript, HTML CSS, Govt API.

Weather App

Dec 2023

- Developed a web application to fetch and display weather conditions for a given city. The user interface dynamically updates based on user input, providing real-time weather data.

Technology Used: HTML, CSS, JavaScript, OpenWeatherMap API.

### SKILLS

Technical

- Java, Spring Boot, Spring Core, REST API, Spring Data JPA, JDBC, Servlet, Maven
- JavaScript, Bootstrap, SQL, MySQL, HTML, CSS, Git, GitHub, OOPS, Docker.

Soft Skills

- Problem-solving, Analytical skills, Adaptability, Critical thinking, Cross-team collaboration

Interests

- Java Development, Web Development, Cloud Computing

### CERTIFICATION

Oracle Cloud Infrastructure 2023 Foundations Associate (1Z0-1085-23)

June 2024

- Compute, Database, Storage, Networking, Security, IAM, Management

### EXTRACURRICULAR

- First Position in inter-branch Case-Study competition.
- Student Volunteer at UNNAT BHARAT ABHIYAN.
